

**Pre-Appraisal Report
of
PIB
on
Project: ()
submitted by
(Agency)**

The Pre-Appraisal Report to be prepared by EPPD on the basis of the PIB prepared by the concerned department/agency for projects costing more than SAT\$100,000 and appraised by Sub-Committee of ACC for projects costing less than SAT\$100,000. The report to address the basic development issues in the PIB including budgetary allocations, serve as a pre-requisite for the concerned department/agency to proceed with project formulation and as input for the preparation of Pipeline of Projects and the PSIP. The Pre-Appraisal to include a statement by ED on the environmental impact of the project idea. Copy of the Pre-Appraisal report to be forwarded to the concerned line department/agency.

- 1. Sector**
Economic, Infrastructure, Social, Others
- 2. Executing Agency**
Executing Agency
- 3. Summary of Issues**
- 4. Project Objectives**
- 5. Project Description and Strategy**
- 6. Estimated Revenues and Project Costs**
Broken down in capital (local and external), revenues and recurrent costs
- 7. External Funding**
Proposed external funding
- 8. Tentative Financial/Economic Returns**
- 9. Implementation period**
Proposed project start and project completion dates (month/year)
- 10. Consultations with other Line Departments / Agencies**

11. Potential Donor

Potential donor

12. Pre-appraisal

Pre-appraisal covers the following aspects

- *that the project has a sound development orientation and approach in line with the SES and other Government policy statements*
- *that the identification of the project is in line and is consistent with the related sectoral plan*
- *that the fundamental assumptions relating to the project are valid*
- *that the project is financially self contained or that the financial implications (as appropriate) can be accommodated through future budget allocations i.e. whether the Project has been referred to Treasury Planning and Budget Committee (TPBC) or not and the related outcome.*
- *that the project is environmentally friendly (after consultation with ED ¹)*
- *that gender issues have been addressed*
- *that qualified personnel is available or alternatively that appropriate personnel training has been provided for.*
- *that the project is expected to have a sustainable future*

13. Status

Favourably or not favourably pre-appraised by EPPD

14. Recommendations

15. Date and signature of AS/EPPD

Date of pre-appraisal

¹ In initiating this consultation, EPPD will forward a copy of the PIB to ED with a request to undertake a pre-appraisal of the environmental implications of the proposed project idea and advise EPPD on further investigations/actions to be taken in respect of a possible EIA as outlined in the guidelines. ED's pre-appraisal will form part of EPPD's pre-appraisal.
