THE GOVERNMENT OF SAMOA
MINISTRY OF WORKS TRANSPORT & INFRASTRUCTURE

REQUEST FOR TENDERS

Design & Construction of a Flood Resilient Model Building

1. The Government of Samoa via the Ministry of Works, Transport & Infrastructure seeks tenders from Consultant(s)/Consultancy Firms to Design and Construct a Flood Resilient Model Building in the lower Vaisigano Catchment Area.
2. This project falls under a sub-activity of the Green Climate Fund (GCF) Vaisigano Catchment Project (VCP) Output 1, which aims to strengthen capacities and information requirements to pursue an integrated programme approach to flood management through raising awareness on flood-resilient building practices for vulnerable communities. The main objective of the GCF - VCP is to strengthen the adaptive capacity and reduce the exposure of vulnerable communities, infrastructure and the built environment from extreme weather events within the Vaisigano Catchment.
3. This successful tenderer is to develop a detailed design based on a concept design to be provided by the Ministry of Works, Transport & Infrastructure. The successful tenderer is also required to prepare EIA and/or PEAR Report, Building Permit and Construction Documentation prior to constructing the model building. This will then be followed by the construction of a flood-resilient model building for a Community Based Organisation situated in the lower Vaisigano Catchment Area based on the detailed design developed.
4. The tender will be conducted through the open competitive procedures specified in the Government of Samoa Procurement Guidelines.
5. A pre-bid meeting will be held on 23rd March 2020 at 2:00pm followed by a site visit to the Site of Works. Attendance of the Pre-Tender meeting and site visit is compulsory and non-attendance by the Tenderer or it's representative will be a cause for disqualification for the Tenderer.
6. All interested bidders are required to register their interest by contacting tilianamua.aloalii@mwti.gov.ws and copy niureta.uili@mwti.gov.ws. All registered bidders will be included in all correspondences relative to this tender, throughout the tendering period.
7. Tender documents may be uplifted from the Ministry of Works Transport and Infrastructure office on the 4th Floor of the TATTE Building Sogi OR can be attained through the above emails.
8. Tenders must be addressed to the Chairman, Tenders Board, and delivered to:
Level 4, Central Bank of Samoa Building, BEFORE 11am, Monday 06th April 2019.
9. For further information, contact Tilianamua Aloalii, Assistant CEO Asset Management and Building Division on email tilianamua.aloalii@mwti.gov.ws and copy niureta.uili@mwti.gov.ws or telephone 21611.
