## RE-ADVERTISEMENT

### REQUEST FOR TENDER

#### Procurement of Marine Survey Boat

The Government of Samoa through the Ministry of Natural Resources and Environment has secured financial support from the International Union for Conservation of Nature (IUCN), through the Action Component of the Project "Biodiversity and Protected Areas management" (BIOPAMA), to support the national project titled "*Enhancing the sustainable management and protection of Samoa's Protected Area Network - STG – P617*". One of the key deliverables of the project is the procurement of a marine survey boat to further support our services for the sustainable development and management of marine protected areas in Samoa.

Tenders are invited from suitably qualified bidders to undertake the above named tender.

A complete set of Tender documents may be obtained by interested Tenderers through the Government of Samoa e-Procurement Portal ([https://www.tenderlink.com/mof\\_samoa](https://www.tenderlink.com/mof_samoa)). The Tender document will also be found on the same e-Portal.

Bids must be uploaded and submitted through the e-Procurement Portal or alternatively hardcopy to be submitted to the address below no later than **11:00 am local time, Monday 14<sup>th</sup> March 2022**.

**Secretary Tenders Board**  
**Ministry of Finance, Level 4**  
**Central Bank Building**  
**Apia, Samoa**

Bids will be opened immediately after closing by the Tenders Board in the presence of the Tenderer or Tenderers' representatives who choose to attend. Late submission will not be considered and will be returned unopened.
