Invitation for Bids

Construction of New Doctors Residences and Hospital Building Extensions at the Rural District Hospitals (RDHs) as follows :

- (i) MOH Contract No. 43 : Lufilufi RDH (demolish and construct)
- (ii) MOH Contract No. 44 : Lalomanu RDH
- (iii) MOH Contract No. 45 : Poutasi RDH (demolish and construct)
- (iv) MOH Contract No. 46 : Sataua RDH
- (v) MOH Contract No. 47 : Satupaitea RDH
- (vi) MOH Contract No. 48 : Safotu RDH

1. The Government of Samoa through the Ministry of Health (MoH) continues to place emphasis on providing assistance to support the implementation of the Health Sector Plan (HSP 2019/20-2029/30). The overarching goal for health development in Samoa entails the need for an inclusive, people-centered service with emphasis on health prevention, protection, and patient-care as well as in compliance with the achievement of the HSP vision of “*A Healthy Samoa*”.
2. The MoH now invites eligible construction companies who can indicate their interest in the noted contractual assignments. There will be six construction companies to be selected to undertake each assignment. Each contract comprises both the construction of the new doctor’s residence and the construction of the district hospital building extension, to house the MDT (Multi Disciplinary Team). Interested companies must provide information indicating that they are qualified to perform the assignment (ie. Availability of appropriate skills with relevant qualifications, description of similar assignments, brochures, CVs and Certificates, experience in similar nature etc.)

3. Scope of Works :

The scope of works includes the demolition of existing structures on the proposed locations of two residential houses, construction of new residential houses in accordance with the Ministry of Works Transport and Infrastructure standard plans and extension buildings. The existing Emergency Building at the Tupua Tamasese Meaole Hospital at Motootua is used as the model for the district hospital extension buildings. Prior to the commencement of the construction works on site, the Contractor is required to collate the required information and submit the applications for Development Consent and Building Permit to the MWTI.

4. Qualifications Requirements :

The following specialized inputs will be required;

1. Experience in building construction for over five (5) years
 2. Documentary evidence of having executed at least three (3) health projects of similar nature or equivalent.
5. It is a requirement that interested companies include a statement addressing each selection criteria, a copy of the curriculum vitae and a list of 3 referees. These have to be forwarded both by electronic copy and four (4) hard copies. **All applications must be addressed and delivered to the address below by May 10, 2022 by 11.00am.**
