**Call for Expression of Interest**

**Tender Number: MOH 65 2023: Design and Build of Lufilufi Rural District Hospital Drs Residence and Extension for MDTs**

The Government of Samoa has received a grant from the World Bank to support its NCD control program through the PforR (Performance for Results) financing instrument. In line with the National NCD Policy 2019 to 2023, the latter is operationalized through an action plan and five key strategic areas (KSAs). Relative to Government's priority on *placing the focus back on Public Health*, KSA 3 will focus on strengthening the health system through the improvement of rural infrastructure; strengthening workforce development and capacity building for NCD management; strengthen referral systems for the management of NCDs besides others.

**B. Objective of the Assignment:**

The Ministry of Health now invites suitable firms who are interested to **Design and Build of Lufilufi Rural District Hospital Drs Residence and Extension for MDTs** to indicate their interest in providing their service as a **Design and Build Firm**. Interested firms must provide information indicating that they are qualified to perform the given service (i.e. brochures, description of similar assignments, experience in similar conditions availability of appropriate skills with relevant qualifications etc.)

**3. The proposed project personnel are essential for this contract:**

- i. **Project Manager/Team Leader** – Degree in Civil/Structural Engineering or related discipline. Must be a registered CPEng with IPES.
- ii. **Architect** – Degree in Architect or similar discipline with experience in designing of public health facilities
- iii. **Land Surveyor** – Degree in Land Surveying. Must be registered with MNRE
- iv. **Electrical Engineer** – Degree in Electrical Engineering. Electrical Engineer who will be designing the electrical services must be a Chartered Professional Engineer (CPEng), registered with IPES.
- v. **Electrician** – Must be Grade A Licensed with EPC
- vi. **Fire Engineer** – Degree in Fire Engineering or similar discipline
- vii. **Mechanical Engineer** – Degree in Mechanical Engineering or similar discipline
- viii. **Quantity Surveyor** – Degree in Quantity Surveying

4. It is a requirement that interested Firms include a statement addressing each selection criteria, a copy of the curriculum vitae and a list of 3 referees. These have to be forwarded both by electronic and hard copies. **All expressions of interest must be addressed and delivered to the address below by 9<sup>th</sup> October 2023, by 11.00am**
